Each author must read and sign the following statements.

RETAINED RIGHTS: Except for copyright, other proprietary rights related to the Work shall be retained by the authors. However, they grant Verduci International the rights to use their names and biographical data (including professional affiliation and emails) in their manuscripts and/or publication's promotion.

ORIGINALITY: Each author warrants that the submission to the Work is original. Neither this work has been already published nor shall be submitted for publication elsewhere while under consideration for the publication by this journal.

AUTHORSHIP RESPONSIBILITY: Each author certifies that he or she has participated sufficiently in the preparation of the present work to take public responsibility for it. Each has reviewed the final version of the work, believes it is a valid work, and approves it for publication. Moreover, they should produce data upon which the work is based if requested by the Editors of the journal.

DISCLAIMER: Each author warrants that this work contains no libelous or unlawful statements and does not infringe on the rights of others. If excerpts (text, figures, tables, or illustrations) from copyrighted works are included, a written release will be secured by the authors prior to submission, and credit to the original publication will be properly acknowledged. Each author warrants that he or she has obtained, prior to submission, written releases from patients whose names or photographs are submitted as part of the work.

TRANSFER OF COPYRIGHT

Attribution-NonCommercial-ShareAlike 4.0 International (CC BY-NC-SA 4.0)

You are free to: (1) Share — copy and redistribute the material in any medium or format. (2) Adapt — remix, transform, and build upon the material. The licensor cannot revoke these freedoms as long as you follow the license terms.

Under the following terms: **BY** Attribution — You must give appropriate credit, provide a link to the license, and indicate if changes were made. You may do so in any reasonable manner, but not in any way that suggests the licensor endorses you or your use. **NC** NonCommercial — You may not use the material for commercial purposes. **SA** ShareAlike — If you remix, transform, or build upon the material, you must distribute your contributions under the same license as the original. **No additional restrictions**) You may not apply legal terms or technological measures that legally restrict others from doing anything the license permits.

Notices: you do not have to comply with the license for elements of the material in the public domain or where your use is permitted by an applicable exception or limitation. No warranties are given. The license may not give you all of the permissions necessary for your intended use. For example, other rights such as publicity, privacy, or moral rights may limit how you use the material.

FINANCIAL DISCLOSURE: Each author certifies that he or she has no commercial associations that might pose a conflict of interest in connection with the submitted article, except as disclosed on a separate attachment. All funding sources supporting the work and all institutional or corporate affiliations of the authors are acknowledged in a footnote in the work.

INSTITUTIONAL REVIEW BOARD/ANIMAL CARE COMMITTEE APPROVAL: Each author certifies that his or her institution has approved the protocol for any investigation involving humans or animals and that all experimentation was conducted in conformity with ethical and humane principles of research.
